WISCONSIN

Department of Industry, Labor and Human Relations

1984

Wisconsin's Commuting Patterns

The graphic presentations in this publication represent the number of workers traveling out of their resident county to employment in another county. A separate graphic for each county depicts the number of workers working out-of-county, and the number commuting in for employment purposes. Data for adjacent states is included. The source of data is the 1980 Census.

* * * * * * *

ERATA

* Page 19. Commuters from Chippewa County to Eau Claire county number 2,971. *

* Page 4. Commuters from Iron County to Ashland County number 84. *

* * * * * * *
